Disciplined Agile Scrum Master

16 horas | Certificação Agile | Gestão de Projetos

INTRODUÇÃO

Disciplined Agile Scrum Master (DASM®) will help you understand all the benefits of agile, and make it work for you and your organization.
DASM equips you to successfully lead agile teams, thereby future-proofing your career in a world in which agile is fast becoming the way forward.
The Disciplined Agile tool kit includes hundreds of proven practices, including Scrum, Kanban, SAFe®, and even some predictive approaches, and puts them into context.
By taking the course - and becoming DASM certified - you'll understand how to customize your way of working to the approach that makes sense for the situation you face in your organization and industry.
